Copy of letter from the Collector of South Kanara, R.O.C. No. 1089b/30-B.4 dated 20th December 1930.

Vital Statistics - Registration of Births and Deaths Act, 1899 - South Kanara district - Extension to certain villages - proposals - submitted.

G.O.No.2333 P.H., dated 23.9.30 and my letter R.O.C. 10895-30-B.4, dated 21.11.1930.

In the light of the instructions contained in the G.O. quoted above, I recommend that the Act may be extended to the villages noted in the enclosed list in this district with effect from 1-6-1931. All the villages except Manuru and Giliyara of Udipi taluk have a population of 2000 and over. These two villages have been included in the list, as they are fairly big and important villages and have adequate transport facilities.

The names of Panchayat Courts in whose jurisdiction the several villages are situated, are noted in column 3 of the list I request that orders may kindly be issued in the Law (General) Department with regard to the grant of powers to the Panchayat Courts concerned to take cognizance of and try all offences under the Act arising within the limits of their respective local jurisdiction. In villages where there are no Panchayat Courts, the Stationary Sub Magistrates concerned will try the offence under the Act.
